HealthLink:

Quick Registration Guide

Use this Quick Registration Guide when you register to HealthLink to make sure you can send eReferrals to Monash Health.

If you do not use Medical Director, Best Practice or Genie software, you need to use the MyHealthLink portal to access Monash Health Secure eReferral forms.

To register for MyHealthLink, complete the HealthLink Service Application Form online at:
https://au.healthlink.net/au_registration/

Remember to select the option indicated below so you can send eReferrals to Monash Health.
